Should a reviewer not be found, please select the not found tab to add the reviewer details.

6.6 Preferred Panel

Indicate the most suitable panel that your project should be evaluated under.

6.7 Requested Financials

Please refer to the Framework for more information about the Thuthuka granting rules, financial control and categories supported. Please note that some of the running expenses sub-categories listed under the template are **not supported under Thuthuka**.

****Please include all financial details (i.e., budget breakdown) in the space provided in the application. Do not add attachments with the required detail to the application. This will not be looked at during the funding decisions process.**

****Only indicate the NRF contribution under this section.**

The eight (8) financial sub-categories supported by the NRF and the maximum amount that will be awarded per sub-category are indicated in Table 1. The NRF will award a maximum total amount of R100 000 (one hundred thousand rand) per annum for running expenses. The applicant's institution must match the NRF awarded amount in a 1:1.

Table 1: Financial Sub-categories supported and maximum amounts funded.

No.	Category of Support	Maximum amount (NRF contribution)
	Equipment	

1.	Research equipment	R50 000 maximum per annum
Running Expenses		
2.	International conference	R20 000 per annum
3.	Local conference	R10 000 per annum
4.	Local Travel	R10 000 per annum
5.	Hardware and Supplies (Materials and Supplies)	R70 000 per annum

Note: Applicants must include a detailed and well-motivated budget for each of the three (3) years in the three (3) year grant application. The budget for each of the three (3) years will be approved at the time of the grant award. Applications with two (2) or one (1) year budget requests will not be considered.

Budget requests and motivations that are NOT consistent with the permissible funding categories will NOT be considered in the Funding Decision process. Budget requests must be well motivated according to the requirements of the Thuthuka Funding Instrument. Budget requests that are not well motivated according to the requirements of the Thuthuka Funding Instrument will not be approved for funding.

For more information on the **Financial Categories** supported under Thuthuka, please refer to the Thuthuka Framework document.

To realistically gauge the full extent of the proposed research, details of other sources of financial support for the research must be submitted in the application budget. This in no way compromises or disadvantages the proposal; instead, knowledge of the commitment and contribution of other

contributors (where applicable) serves to better understand the feasibility of the proposed research project.

If there are no other sources of funding, please select “add” under the section, then select “N/A” from the dropdown list under “source”. You can then enter 0 values for the different years.

6.9 National Infrastructure Platforms
